A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by that shareholder. A proxy need not be a shareholder of the Company. Shareholders are strongly advised to appoint the Chairman as proxy.
5. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
6. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.

EXPLANATORY NOTES

Ordinary resolutions

Resolution 1: To receive the Annual Report & Accounts for the year ended 31 January 2023

The directors are required to present to the annual general meeting the audited accounts and the reports of the directors and auditors, for the year ended 31 January 2023. These are contained in the Company's Annual Report and Accounts 2023.

Resolution 2: To approve the Report of the Remuneration Committee

The Report of the Remuneration Committee is set out on pages 34 to 38 of the Annual Report and Accounts 2023. It complies with the Companies Act 2006 (as amended) for a report on the remuneration of all directors, both executive and non-executive.

The report has been approved by the Board and signed on its behalf by the Company Secretary. The Company is seeking shareholder approval of that report.

Resolution 3: Dividend

The directors have proposed a final dividend of 1.39 pence per ordinary share. If approved by the shareholders at the annual general meeting, the recommended final dividend will be payable on 31 July 2023 to all shareholders on the register of members at the close of business on the record date of 30 June 2023.

Resolutions 4 and 5: Re-election of directors

Under the Company's articles of association, at each annual general meeting one-third of the directors are required to retire from office by rotation provided always that all directors must be subject to re-election at intervals of not more than three years and that all newly appointed directors retire at the first annual general meeting following their appointment.

Alice Foulk and Nicholas Carter are retiring by rotation and are eligible for, and seek, re-election. Short biographies of these directors are given on pages 26 and 27 of the Annual Report and Accounts 2023.

The board confirms that it considers each of the aforementioned directors to be highly effective and committed and recommends them for re-election.

Resolutions 6 and 7: To reappoint the auditors and authorise the directors to determine their remuneration

The appointment of Rawlinson & Hunter Audit LLP as auditors of the company terminates at the conclusion of the annual general meeting.

Rawlinson & Hunter Audit LLP have advised their willingness to stand for appointment as auditors of the company until the conclusion of the annual general meeting in 2024. The directors recommend the appointment of Rawlinson & Hunter Audit LLP and seek authority to set their remuneration.

Special resolutions

Resolution 9: Authority to allot equity securities for cash on a non pro-rata basis

The passing of Resolution 9 would permit the directors to allot ordinary shares and other equity securities for cash without being obliged to first offer them to existing shareholders on a pro-rata basis, up to a nominal value of £187,330.00 (being 1,873,300 ordinary shares of 10 pence each) which is approximately equivalent to 5 per cent. of the total issued share capital of the Company as at 28 June 2023, being the last practicable date prior to the issue of the notice of annual general meeting.

Resolution 9 will be proposed as a special resolution to provide the directors of the Company with the necessary authority.

The directors do not have any immediate intention of utilising the authority set out in Resolution 9. Again, they believe, however, that having the maximum flexibility to exercise these corporate actions, to the extent that they are permitted by corporate governance guidelines, will allow them to best promote the success of the Company.

If given, this authority will expire at the conclusion of the next annual general meeting of the Company or, if earlier, at the close of business on 31 July 2024.

The directors intend to seek renewal of this authority at subsequent annual general meetings of the Company.

Resolution 8: Authority to allot, or grant rights to subscribe for or convert any security into, shares

The authority in Resolution 8, if such resolution is passed, would allow the directors of the Company to allot shares or grant rights to subscribe for, or convert any security into shares up to a nominal value of £1,248,866.60 (being 12,488,666 ordinary shares of 10 pence each) which is approximately equivalent to one third of the total issued share capital of the Company as at 28 June 2023, being the last practicable date prior to the issue of the notice of annual general meeting.

The directors do not have any immediate intention of utilising the authority set out in Resolution 8. They believe, however, that having the maximum flexibility to exercise these corporate actions, to the extent that they are permitted by corporate governance guidelines, will allow them to best promote the success of the Company.

If given, this authority will expire at the conclusion of the next annual general meeting of the Company or, if earlier, at the close of business on 31 July 2024.

The directors intend to seek renewal of this authority at subsequent annual general meetings of the Company.

Resolution 10: Authority to purchase own shares

In certain circumstances, it may be advantageous for the Company to purchase its own shares and Resolution 10 seeks the authority from shareholders to continue to do so. The directors will continue to exercise this power only when, in the light of market conditions prevailing at the time, they believe that the effect of such purchases will be to increase earnings per share and is in the best interests of shareholders generally. Other investment opportunities, appropriate gearing levels and the overall position of the Company will be taken into account when exercising this authority.

Any shares purchased in this way will be cancelled and the number of shares in issue will be reduced accordingly, save that the Company may hold in treasury any of its own shares that it purchases pursuant to the Act and the authority conferred by this resolution. This gives the Company the ability to re-issue treasury shares quickly and cost-effectively and provides the Company with greater flexibility in the management of its capital base. It also gives the Company the opportunity to satisfy employee share scheme awards with treasury shares. Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

The resolution specifies the maximum number of Ordinary Shares that may be acquired (approximately 10 per cent. of the Company's issued ordinary share capital as at 28 June 2023) and the maximum and minimum prices at which they may be bought.
